

6 April 2026

Dear Valued Sponsor,

Thank you for your enthusiastic preparation for AAT48 and for your kind questions. We are equally delighted to welcome you to Thailand for what we anticipate will be a truly memorable conference. Please find our detailed responses to each of your inquiries below.

1. Booth Layout and Dimensions

Reserved Booth (Updated 5 APRIL 2026)

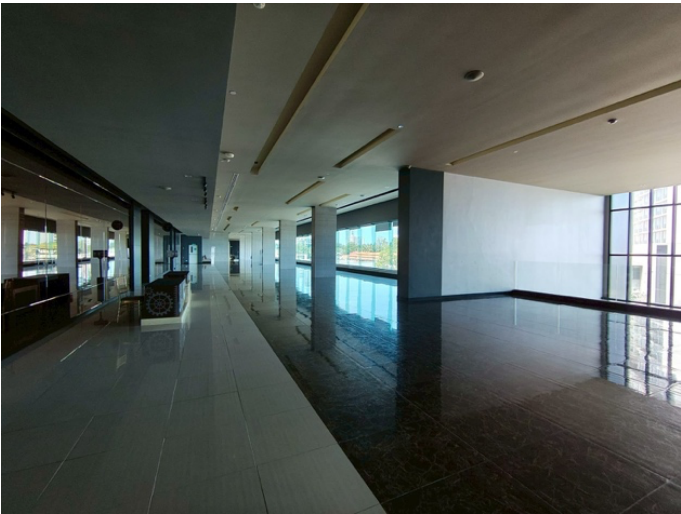

- 1 MEGA WE CARE
- 2 SCION
- 3 4 UPRIGHT
- 5 6 PRIME MEDICAL
- 7 HOLLYWOOD INTER.
- 8 9 10 WICER
- 11 12 OFFICIAL
- 13 HUAYI
- 14 SCIED
- 15 16 EMPIRE
- 17 ELSEVIER
- 18 COAX
- 19 PATHOLOGY WARE INTER.
- 20
- 21
- 22
- 23
- 24 THANES SCIENCE
- 25
- 26

The exhibition booths are located on Floor 2, in the corridor directly in front of the conference hall. When exiting the elevator, turn right — booths will be positioned on both the right and left sides of the walkway (as shown in the floor plan images). The walkway in the centre will be used for coffee break setups.

Key dimensions are as follows:

Ceiling height	3.9 metres
Total corridor width	12 metres (centre walkway used for refreshments)
Booth opening direction	Faces the central walkway; visible immediately upon exiting the elevator
Elevator access	Take the elevator to Floor 2 — doors open on both sides; use either entrance

Please note that the ceiling height of 3.9 m allows ample room for backdrop structures. We recommend designing your backdrop poster within a safe height of approximately 2.5–3.0 m for stability.

2. Complimentary Table & Additional Furniture

Each booth is provided with the following complimentary furniture:

Table size (1 per booth)	Height: 75 cm Width: 180 cm Depth: 75 cm
Chairs (per booth)	2 chairs complimentary
Table cloth	Provided with the table (as per standard hotel setup) With the white colour as show on the below picture.
Additional furniture	Unfortunately, no additional tables or chairs can be accommodated due to limited corridor space. No rental option is available.

3. Exhibit Display Regulations

There are no specific restrictions on the display or sale of products at your booth, provided all items comply with Thai law. The following are examples of prohibited items:

- Electronic cigarettes (e-cigarettes)
- Illegal or controlled substances under Thai law
- Any items prohibited for import or sale in Thailand

All other legally permitted products — including medical devices, anatomical models, scientific publications, and supplements — are welcome.

4. Expected Attendee Statistics

Based on our registration projections and historical data from AAT47:

Total attendees (estimated)	Over 200 participants
Participating institutions	At least 53 universities / medical schools (based on AAT47 database, May 2025)
Conference dinner (May 13)	Typically, all registered participants attend — an excellent opportunity for networking and product visibility

We recommend preparing at least 200 sets of promotional materials, brochures, or giveaway items to ensure sufficient distribution.

5. Giveaways and Souvenirs for the Gala Dinner

The AAT48 Organizing Committee would like to kindly request your company's support in preparing gifts or souvenirs for distribution to participants during the Gala Dinner on the evening of 13 May. This event is expected to welcome over 200 attendees.

This is an excellent opportunity to promote your brand and products to academics, medical professionals, and researchers from over 53 leading institutions across Thailand and internationally. The gifts may be small or large in size — entirely at your company's discretion. Some examples include:

- Small souvenirs — pens, notebooks, masks, or branded merchandise, etc
- Medium gifts — tote bags, medical accessories, watch, power bank, or product samples, etc
- Special prize(s) — a flagship product for a lucky draw during the dinner

If your company is interested and would like further details on how the gifting activity will be organized, please do not hesitate to contact the organizing committee. We sincerely appreciate your generosity and partnership.

We hope the above information is helpful for your booth preparation. Should you have any further questions or require additional materials (floor plans, logos, etc.), please do not hesitate to contact us. We look forward to seeing you in Pattaya in May!

Warm regards,

Dr. Yutthapong Tongpob

AAT48 Organizing Committee
